Student's name: Alicia Sanchez

Nationality: Mexican

School: Calabria – Italy

Date: 2015

Testimonial:

After having learned Italian nearly 3 months with Conte Ruggiero School, I totally recommend this school in Santa Domenica di Ricadi, Calabria, Italy. I have enjoyed the nature taking the classes outside with a wonderful view of the sea, and the company of the magnificent teachers and all the staff that works at this place. I was actually learning and also living the real and great Italian lifestyle.

I do not want to miss this experience!
