What did you think about your language travel?

*As my summer holiday language course I choosed BCN Sprachcaffe.  
I've decided to stay in the host family to know spanish culture and because  
I wanted to see real spanish life. BCN as the city itself offers many beautiful  
places to see and visit and thanks to its history, artists, writers  
and other interesting reasons, you will discover in BCN inspiring muse.  
School helps me to improve my language and also made me feel  
more confident in daily conversations. Teachers made the classes  
interesting in entertaining and funny way and I felt really comfortable  
during the classes. So if you would like to spend your  
student days eating good tapas, soaking up sunshine and  
meeting lots of friendly people of different nationalities  
this could be the place for you.*
